What a

# Your needs are best suited to a Consultancy or Service Provider.

This is because you are requiring a wholly outsourced project to be delivered.

It is critical that this is managed as a Statement of Work (SOW) under a consultancy contract.

Caution: If the Consultancy or Service Provider is using Ltd company contractors (PSC) as part of the delivery of their Service, it is their responsibility and risk to manage IR35 as the project is wholly outsourced.

### ✓ Ideal for:

- 1. Fully outsourced projects with independent delivery responsibility
- 2. Strategic, end-to-end engagements requiring defined outcomes

## **Caution:**

- 1. Ensure the consultancy provides a proper SOW and takes full delivery ownership
- 2. If they rely on PSCs (Ltd co contractors), the IR35 risk is theirs *only if* the project is wholly outsourced

# Tip:

1. Ask for visibility on their IR35 management process to avoid hidden risk
